### **Discount to Patients without Insurance Coverage**

At Branson Dental, we understand that many individuals will opt out of dental coverage through employer/individual policies. For many, it can sometimes save you a lot of money on out-of-pocket premiums you pay throughout an entire year! Take an average policy that you are paying \$90 towards monthly, which adds up to \$1080 for an entire year for just one individual!!

We care about our patients, which is why we provide you with a discount if you do not have insurance coverage. We are competitively priced with most insurances and provide lowered fees from most UCR fees. Here are some examples of our discount that we offer:

	UCR (for DFW)	<b>BRANSON DENTAL DISCOUNT</b>
NP Exam and cleaning	\$335	<b>\$125</b>
6 months visit w/ Pano and cleaning	\$275	<b>\$105</b>
